Rrrahah Baahh portrait

Rrrahah Bäähh

Identity

- **Name:** Rrrahah Bäähh
- **Gender:** Male
- **Class:** Cleric (Razortooth)
- **Tribe origin:** Licktoad
- **Player:** Dirk

Core Four

Rrrahah Bäähh is one of the **core four** — present from session 1. The others are Sneaky Scorch, Bubble Bomb, and Shvub-Mah. The remaining four party members joined later.

Physical & Personality

Rrrahah Bäähh is identified as a Razortooth — a goblin sub-type distinguished by oversized, prominent teeth. He is a cleric, praying to whatever deity will tolerate a Razortooth's teeth. His defining contribution across the campaign is keeping party members from drowning — a recurring role that underscores both his healing function and the party's tendency toward dangerous water crossings.

Role in Campaign Events

- **Session 1 (core — confirmed):** Present at the whelping cage opening, muttering prayers.
- Kept someone from drowning during the river crossing in Brinestump Marsh. This became a recurring contribution.
- Present for the Kaijitsu Star boarding, Vorka's death, and return through the marsh.

- Present through the Licktoad village celebrations, the Squealy Nord recovery, and the second ship expedition.
- **Birdcruncher Chieftain's Moot (23.03.2024)**: Competed. Results: Round 1 score 10, Round 2 score 10, Round 3 score 10 — second place overall, did not win chieftainship. *remembered — T3*
- **Birdcruncher loot**: Bead of Force (5d4, 60 ft reach, 10 ft burst, DC 21 Reflex) → Rrrahah. *remembered — T3*
- **Spider cave sessions (5/24-6/30/2024)**: Active in FoundryVTT. Used Detect Magic, Runic Weapon, Divine Lance. Escaped the Ogre Spider's web (DC 22 Athletics, roll 25). *confirmed — T1*
- **Astral Plane transit (30.11.2024)**: After crossing, received a **dream message** (Traumbotschaft). Eyes open, floating — the dream left marks. Content is his to tell; it is not recorded. *remembered — T3*
- **Astral Plane pull order**: Third pulled in — after Sneaky, Princess. *confirmed — T3*
- **18.01.2025 (Online)**: Active in FoundryVTT. *confirmed — T1*
- Present through all Thistletop assault phases.
- **Thistletop dungeon (05.12.2025)**: Tried to negotiate with the Lamashtu goblins at the table; negotiation failed. *remembered — T3*
- Present at the Temple of Lamashtu — the last recorded encounter.

Status at End of Known Account

Active. Present at the Temple of Lamashtu. Party at Level 6. Fate beyond that point is TBD.

Notes

- The astral plane dream message is confirmed original GM content (T3 — "Rabäh hat eine Traumbotschaft bekommen"). No Module 5 NPC triggered it.
- **Deity: Desna**. Confirmed by character sheet and Creative Director decision. Razortooth goblins normally default to Lamashtu — Desna is a genuine player choice. He even carries the Chosen of Lamashtu ancestry feat at Level 5, a mechanical flavour tension that is entirely his.
- "Razortooth" refers to a goblin racial heritage, not a class feature.
- The Bead of Force (T3 confirmed) is documented on the Notable Items page.
- During the pre-story Quest to the Darkfear Cave, Rrrahah Bäähh discovered his taste for moles.
