

Sneaky Scorch — The Rogue

Identity

- **Name:** Sneaky Scorch
- **Gender:** Male
- **Class:** Rogue

- **Tribe origin:** Licktoad
- **Player:** Gunnar (Creative Director)

Core Four

Sneaky Scorch is one of the **core four** — present from session 1. The others are Rrrahah Bäähh, Bubble Bomb, and Shvub-Mah. The remaining four party members joined later.

Physical & Personality

Sneaky Scorch is described in the campaign's opening as watching everything and touching nothing yet — establishing his observational mode before action. By the Temple of Lamashtu, he is described as "the rogue who touched everything now," a direct arc from cautious observer to fully engaged participant. He was in his element during the stealth operation at Manschmied Farm.

Role in Campaign Events

- **Session 1 (core — confirmed):** Present at the whelping cage opening, watching and waiting.
- Present through Brinestump Marsh, the Kaijitsu Star, and Vorka's death.
- Present through Licktoad village celebrations, Squealy Nord recovery, and the second ship expedition.
- **Birdcruncher Chieftain's Moot (23.03.2024):** Competed in all three rounds (Blindbird, Planks + bat kill, Birdpie). Won the third round — declared **Chieftain of the Birdcrunchers**. Received the **Crunchy Crown** (+2 Intimidate vs. Birdcrunchers). *remembered — T3*
- **Birdcruncher loot:** +1 Flaming Dogslicer → Scorch. Cloak of Illusions → Scorch. *remembered — T3*
- **Manschmied Farm:** Stealth approach was his forte. In his element.
- **Spider cave (6/29-6/30/2024 — confirmed T1):** Thievery DC 20 passed (roll 26). Picked the lock of the gatehouse/stone tower.
- **Astral Plane pull order:** First pulled in — Sneaky disappeared first. *confirmed — T3*
- **18.01.2025 (Online — confirmed T1):** Active in FoundryVTT. Present for Razertoath territory operation.
- Present through all Thistletop assault phases (Leer, Wrexen, December 2025 sessions).
- **Thistletop dungeon (05.12.2025):** Hung from the ceiling observing before the negotiation failed. Opened fire on the first Jethound — killed it. *remembered — T3*
- Present at the Temple of Lamashtu — the last recorded encounter.

Status at End of Known Account

Active. Present at the Temple of Lamashtu — the last recorded encounter. Party at Level 6. Fate beyond that point is TBD.

Notes

- This is the Creative Director's (Gunnar's) character. Per player attribution rules, Gunnar plays Sneaky Scorch only.
- The arc from "touching nothing yet" to "touched everything now" is a canonical character beat from the campaign account (T4).
- Crunchy Crown (Birdcruncher chieftain's crown, +2 Intimidate) is confirmed his from T3. See the Notable Items page.
