

Tsuto Kaijitsu — The Traitor

Identity

- **Name:** Tsuto Kaijitsu
- **Species:** Half-elf
- **Class:** Monk 7 (CR 4 in published source)
- **Role:** Ameiko's half-brother; Sandpoint traitor; Lamashtu cult operative
- **Status:** Found in Thistletop dungeon. Can be killed. Defeat not confirmed in extracted sources.

What He Did

- Organized the logistics of the goblin raid on Sandpoint.
- Betrayed Sandpoint by providing information and coordination for the attack.
- Lured Ameiko to the Sandpoint Glassworks under false pretenses.
- Captured Ameiko when she refused to join Nualia's cause.
- Had Ameiko transported to Thistletop (approximately 5 days before the party found her).
- Murdered his father Lonjiku Kaijitsu at the Sandpoint Glassworks.

confirmed — T3: "wurde von Tsuto (ihr Bruder) verraten und beim letzten Goblin überfall auf Sandpoint hierher verschleppt"

Why He Turned

He was manipulated and seduced by **Lyrie Akenja**, who used this relationship to bind him to Nualia's operation. Whether his commitment to Lamashtu is genuine or purely driven by Lyrie's influence is not resolved.

confirmed — T3: "Tsuto gehört zu Lamashtu und kann getötet werden, er wurde von Lyrie Akenja verführt" — "Tsuto belongs to Lamashtu and can be killed; he was led astray by Lyrie Akenja"

Notes

- “Can be killed” is an explicit T3 session note — Ameiko told the party this directly.
- His defeat is not recorded in extracted T3 sources.
