Name Note

The name “Wise Mummy Sprattleharsh” is canonical, confirmed by the Creative Director (2026-03-21). The raw German session log contained “Wise Many Splatterheard” — this was a transcription/phonetic error, not an alternate name. Use “Sprattleharsh” exclusively.

Role in Campaign

Wise Mummy Sprattleharsh oversaw the Chieftain’s Moot competition in Birdcruncher territory (Sessions 6/7). She administered the challenges that determined the new Birdcruncher chief — ultimately won by **Sneaky Scorch**, who received the Crunchy Crown.

She also assigned the party the mission to deal with Pa Manschmied and the fire-breathing pig at Manschmied Farm.

Description

Elder goblin of the Birdcruncher tribe. Her title “Wise Mummy” marks her as the tribe’s spiritual and ritual elder — the spook-speaker, the one who handles the dangerous and invisible things that goblins prefer to have between them and the world.

Notes

- Name confirmed canonical by CD, 2026-03-21.
- “Spook-speaker” is the campaign/GM role description.
